Projects

Personal finance Dashboard

March 2024

- My latest project in personal finance management! Introducing a comprehensive personal finance dashboard built using Microsoft Excel, featuring an array of charts and formulas for a seamless view of financial insights. • the dashboard goes the extra mile with a dedicated section for credit card management. Here, overdue amounts are prominently highlighted, ensuring users stay on track with their credit obligations with ease.

Custom Domain for the dashboard

Hotel Booking Management Website

Dec 2022

Designed and developed a with a user-friendly interface and multiple modules, including Home, About Us, Our History, Facilities, Food Menu, and Contact. Implemented seamless navigation, optimized booking functionality, and ensured a responsive design for enhanced user experience.
